

Bad Boys for Hire: Ryker (Bad Boys for Hire Series) (Volume 1)

Sexy and explosive. A modern day Romeo and Juliet story with a surprising twist. Florist Terri Martin lives a calm and peaceful life. Maybe too calm and too peaceful because she can't remember the last time she was in a relationship. Terri calls Bad Boys for Hire to book herself a date for her thirtieth birthday party, but before she can hire one, she meets Ryker Slade, a biker hiding from his motorcycle club. Old vendettas resurface and soon, Terri has more than she can handle when she learns that her and Ryker's love is as doomed as Romeo and Juliet's. Ryker thinks he has a way out, but can Terri escape her fate, or will she find her lover dead before she wakes?
