

## Unspoken Endings (Unspoken Series) (Volume 3)

Will the distance tear them apart? With every difficulty Matt and Abigail have faced since the day they met, they've depended on their trust and love in each other to see them through. But what happens when absence becomes their biggest obstacle? When Abigail follows her heart to pursue her career, she is forced to leave Matt behind. Confident that their love is strong enough to withstand the distance put between them, they believe they will soon come back to each other. But when a danger from their past threatens their future, Matt may just lose her forever. Their love in one another will be put to the test, and only time will tell if they can truly find their unspoken ending.
