Posey Osterhagen cant complain. She owns a successful architectural salvaging company, shes surrounded by her lovable, if off-center, family and she has a boyfriendsort of. Still, somethings missing. Something tall, brooding and criminally good-looking something like Liam Murphy. When Posey was sixteen, the bad boy of Bellsford, New Hampshire, broke her heart. But now hes back, sending Poseys traitorous schoolgirl heart into overdrive once again. She should be giving him a wide berth, but it seems fate has other ideas.
