

## Unworthy Heart (The Donnellys)

Opposites not only attract, sometimes they spontaneously combust. Hes got his eye on the top of the ladder at an L.A. marketing firm when his gaze snags on co-worker Maiya Rossini. Shes a feisty, witty, tattooed redhead whos nowhere near his type, but she pushes every one of his hot buttons. Maiya clawed her way out of her dysfunctional, trailer-park childhood to earn a college degree and establish a promising career. Her future dreams are big, bright and packed with full-throttle fun, but when it comes to matters of the heart and menespecially stuffy corporate types like Ryanher past slams on the emotional brakes. In the office and in the bedroom, Maiya and Ryan rub each other in all the right ways. Though Maiya is everything Ryan didnt know he wanted, hes got his work cut out for him convincing her shes worthy of loveor the bright light shes brought to his life could slip through his fingers. Warning: Contains a lot of graphic, yummy sex. To those prone to lock their bedroom doors, fair warning. In this book, there are no doors, only windows. With no curtains. For those who arent afraid to keep their eyes wide open: Enjoy the show!
