

## Light as a Feather (The Godhunter) (Volume 14)

Magic has no weight. It has no volume or substance. The most powerful of magics can be housed in something as light as a feather... and it is. One black and one white. The two magic feathers of Tobadzistsini and Nayenezgani, twin Navajo gods. The white feather holds the power to heal all wounds and black can vanquish all enemies. Together they are virtually unstoppable but for the Godhunter the real difficulty will be deciding whether to fight the Navajo gods or join them. It all comes down to the color of Vervains convictions. Although the feathers are black and white, her choices have all blurred to gray and choosing the wrong shade could mean the extermination of an entire race. Book 14 in the Godhunter saga is full of action and revelations. Grab your copy now and sharpen your claws, the God War continues.
