

Thrive: Addicted, Book 2.5

Two years will change them forever. When rumors spread like wildfire?like having three-ways with her boyfriends rock climbing brother?Lily Calloway spirals into a dark place. Her bedroom. Loren Hale is more confident and determined to keep their sex life private, even from their friends, and he helps Lily in the only way he knows how. But how much love is too much? Their lives are filmed, watched, and criticized. And through it all, Lily and Loren have to face enemies they never thought theyd see, demons they dont know if they should bury, and setbacks they didnt think theyd meet. Not this soon. And one rumor could be too much for them to handle. It will test their greatest limitations, and if they dont hold onto each other, someone is going to drown. A full-length New Adult Romance that bridges the gap between the second and third books. Thrive must be read before Addicted After All if you have not read the Calloway Sisters spin-off series.
