

Vampire 101 (Modern Day Vampires Book 1)

Being a Vampire Isn't What It Used to Be! Savanna Royce is a weekend Goth-girl whos always been fascinated with vampires. She doesnt really believe in them, of course, but that changes when shes bitten by a rogue vamp and left for dead. Fortunately, two-hundred-and-seventy-eight-year-old vampire Kaige Travers is there to rescue her. Unwilling to let her die, he turns Savanna into a vampire to save her life not knowing if shell thank him or hate him for it. While Kaige is teaching Savanna what she needs to know about being a vampire, neither of them can deny the chemistry thats there. Somewhere between getting her registered at the local vampire admin office and teaching her how to order blood on the internet, they fall for each other fast and hard. Just as things are heating up between the sheets and everywhere else they encounter one minor problem. The rogue vampire who attacked her is back and this time he wants to finish the job he started.
