

## Mood Indigo (Braddock) (Volume 2)

Isabel Braddock has given up her newspaper job to come back to Florida to join her fathers firm, but finds a different trouble. Can she find the thief inside Braddock Enterprises who has stolen the secret formula for Braddocks new indigo dye? She thought she could, until she battles an old foe in Egypt where she goes to save her fathers company. Someone has stolen Braddock Enterprises new indigo dye formula. Can Luke Raynor be mistaken about the woman with whom he has fallen in love? Is she the thief inside her fathers company? He has already made a big mistake in love and his former love and present love are both on an ill-fated company trip down the Nile. When Lukes 9-year-old charge, Philippe, is missing, even those above suspicion are suspect.
