

Visitor: Seduction of Shadybrook

A short prelude to Ghosts of Shadybrook - Steve arrives in Shadybrook hiding from his employers for a while. He runs out of money and runs into Emma Gail, who he thinks is a waitress of the cafe she owns. He decides he's going to use her to get to know the people of the town to see who he could exploit for quick cash. But Emma isn't an easy woman to leave behind. Steve gets drawn in to the small town charm of Emma and Shadybrook. A week and he begins to reconsider moving on until he finds the reason he began the journey in the first place. Jasmine.
