How can I fight for you when I dont know what Im fighting for? When Grace Tate became one of the fallen to protect a vampire, it got her into more trouble than shed bargained for. Shes angry at Charlotte for hiding the truth, and with Josh living in the city and Seth missing, life is harder than ever. Its about to get a lot harder Grace doesnt want to leave Hopetown Valley, but when Josh ignores her calls she decides to go and search for him. She doesnt expect to run into Seth as well. When she reaches the city, Grace learns that Charlotte is the most hunted vampire in Wide Island. The city vamps want her blood, and the angels are after her soul. Grace gets caught in the crossfire of a battle she never wanted, but to win one war, she has to fight another. Torn between the one she gave up everything for, and the one who sacrificed everything for her, Grace has to face Charlotte, and the past, if she wants to fight for her future. But how can she fight for someone who doesnt want to fight for her? Every choice Grace makes becomes a battle, and in every battle someone has to die.
