

Waking Dreams (The Souls Mark)

A Souls Mark Novella(The Souls Mark, #1.5)In The Souls Mark, Eric Carter felt a burning spark when he first laid eyes on Amelia Caldwell. There was just something about her--something familiar--that pulled him to her. The problem was acting on the spark was suicide. Amelia was marked for his father. Eric had been around for a long time, and before Amelia, life happened. One day he was a simple rancher and then the next, he was thrust into a world that he had never known existed, and dreaming of a girl that he knew he couldnt live without. In this novella, Eric Carters history is revealed.
