

WANTED by the Werebear (BBW Sweet Valley Shifters Paranormal Romance) (Blacktail Canyon Bears)

Will Jane ever find the love of her life? Curvy Jane has lived with her Aunt for years, after being abandoned by her parents as a kid. Shes never felt that she had a place where she belongs in the world, so why does she feel so safe after she meets Lars, and the Bears of Blacktail Canyon? Certainly with the threat of the wolves attacking at any moment, she should feel more frightened there than anywhere. But the only thing she is frightened about is that shes never felt more sure of anything in her life. Will Jane leave her aunt and go to Blacktail Canyon to fall in love with Lars and join the clan? What happens when the last of her family falls apart?
