Perfect Prince (Dragon Lords 2) Dragon-Shifter Romance Revised Expanded Anniversary Edition A Perfect Escape Nadja Aleksander has everything she could ever want in life, except her freedom. Skipping out on her engagement, to a man her controlling father has chosen for her, Nadja books passage on the first ship she can find. Bound for a planet of primitive humanoid males, Nadja plans on finding a simple, hardworking man who will allow her to live out her days in total obscurity. Unfortunately, simple isn't what fate has in mind. A Perfect Mistake Dragonshifter Prince Olek is pleased with his refined and blushing bride. When she chooses him to be her life mate, appearing happy in her decision, his heart soars until the next morning when his new princess wants nothing to do with him. Olek doesn't know what he's done to upset his alluring woman, but he is determined to reignite the hot sparks that burned the night they met.

About the Series: The dragonshifting princes have no problem with commitment. In one night, they will meet and choose their life mate in a simplistic ceremony involving the removing of masks and the crushing of crystals. With very few words spoken and the shortest, most bizarre courtship in history, they will bond to their women forever. And once bonded, these men don't let go. Too bad nobody explained this to their brides.
