

## Hearts Whisper (In Wild Abandon Book 2)

A DARK PULL THAT HE COULDN'T RESIST A PRELUDE TO AN UNDYING LOVE

Milo suspected that even if he tries, he can never resist falling in love with Thalia. There are things that are meant to be, and he does not even fight the powerful attraction even as it hurts him. Thalia cannot understand how something as beautiful as love can come at the most unlikely period of her life, except that it is what she needs the most. She has never felt as happy and as cherished as when she is with Milo. Is it being selfish, not to let something like this happen to both of them, as she counts the remaining days of her life? Milo is counting the days, too, but for something that not even Thalia can ever imagine. It is for an act of love that only the universe can recognize, and hopefully, will acknowledge. If Thalia finds out, will she hate Milo? Or herself? If you wish to read more, download now!\*\*\*contains contents that some reader may find objectionable, including sex and erotic themes. BONUS PREVIEW AFTER EACH BOOK! EXCERPT I guess I felt ... hope, when I saw you. She took a deep, shuddering breath. I wasn't there for hope; so, even when I turned you away, cause I finally thought I couldn't do it, a part of me still wanted careless release. A part of me... hoped... something, with you. Yeah, I felt that, too. Best night of my life, Babe. You blew my... everything away. I did, huh? she said smugly. Then, she smiled at him, guiltily. Sorry, you lost your bet. His face stated, You knew about it? Yes, dude, I noticed. You look dazed when you handed your money to the bartender. Lost many bets? No. Actually, that was my first... loss. Boy, did his expression look guilty, and pride-filled. Really? She weakly slapped his wrist. Get out of here! Fuck, you're a stud or something? Umm don't make me answer that, he said with a pained look on his face. All those guys did look up to you. I could see it. When I thought about it later, I

just thought it was because I liked you more than anyone else in the club that I felt you were special. So, my Milo boys a stud! Dont I have great taste in men? Dont I? Dont I? Wow.He was chuckling....She frowned, and then smiled. You hadnt lost me, Milo. Besides, we didnt know each other at all, then. Why are you grinning like a crazed clown?Give me three months, he whispered.What? Three months of what, Milo?He leaned close and kissed her.But he didnt explain.Next Books in the In Wild Abandon Series:1 - Hot, Hot Night3 - Dangerous Lie4 - Faithful LoveDownload and discover why readers are raving about LILY WHITE.Scroll up and get the book now!
