

Wasted (Whiskey Nights) (Volume 1)

WASTED is a new adult, contemporary romance recommended for adult readers due to mature content. It all started with sex on the beach the drink, not you know. As a bartender, Mason Cambridge often charmed beautiful women who ordered up cocktails on his shift. It was part of his job after all, and he needed the tips badly. When Lexi Swafford plopped her pretty little tail down on the bar stool, Mason offered her a drink. He had no idea that he would soon be working with her or that he'd be letting her room with him until her new apartment was ready. In fact, once Lexi Swafford landed in Creekview, Tennessee, life as Mason Cambridge knew it would cease to exist because after a night of drinking away the agony of his loneliness, one touch from her would change everything. WASTED is the first book in the WHISKEY NIGHTS series. Since each book focuses on a different couple, they can be read as stand-alones, but many readers may prefer to read them in order for maximum enjoyment.
