

Four Weddings and a Fiasco: The Wedding Date (Kindle Worlds Novella)

If you're a fan [of Katys] already, *The Wedding Date* is a must read. If not, you should give it a try... and see if you can't help yourself believing that fairy tales really do happen to ordinary people. -- Rachel, Cullen House Reviews

Sweeten up your Kindle with the combination of Lucy Kevins beloved Rose Chalet characters and Katy Regnery's signature sweet heat and happily ever after! Curvy, vulnerable Jasmine Turner has never had much luck with men and doesn't believe in true love. When she grudgingly accepts an invitation to her sister's wedding, the last thing she expects is to be seated beside gorgeous, teasing Robert Callahan. Finding herself attracted to the handsome swimmer and won over by his kindness, Jasmine lets herself fall for the first time in her life. But, even if she can overcome her fears and give him a chance to win her heart, will Robert's checkered past be a problem for the young couple? Based on beloved characters found in Lucy Kevins charming *Four Weddings and a Fiasco* series, *The Wedding Date* tells the story of Anne Fairleigh's half sister, Jasmine Turner and Robert Callahan.
