

WEDNESDAYS CHILD: Full of Woe (The Extraordinary Days Book 4)

Life in the fast lane has never been an easy place for twitchy high-society event planner Sloane Wallace, a woman born to privilege and pristine family lineage. But when a freak snowstorm and auto mishap leaves her stranded in the freezing mountains in her designer heels, a burly mountain man, unimpressed with her pedigree, shows up in time to save her couture-covered backside and completely mess up her world.
