

Welcome Back (A Smoky Mountain Novel Book 9)

Lin Stepp paints a charming portrait of the Smokies, their people, and a wonderful way of life. --Deborah Smith, New York Times bestselling author

Set against the breathtaking backdrop of the Great Smoky Mountains, Lin Stepp's sweet and touching story follows one woman's journey back to the home--and the husband--she left behind. When Lydia Cunningham left her husband and moved to Atlanta ten years ago, it was with equal parts sadness and certainty. She loved her home in North Carolina, with its lush green hills and crisp, clean air. And in truth, she still loved John, too. But she could no longer live with her mother-in-law's constant criticism and the distance it created in her marriage. Now, thanks to a job offer at her alma mater, Lydia is moving back, renting the old country house where she and John lived as newlyweds. She hopes to strengthen the frayed ties with her daughter, Mary Beth, and build a relationship with her grandsons. As for John--it's clear from the moment Lydia sees him standing in her doorway that he hopes they might rekindle their bond. The spark between them hasn't dimmed--but neither have Lydia's memories of past hurts. Yet in this magnificent landscape that always felt like home, she might find a way to forgive and begin again.

Praise for Lin Stepp and her Smoky Mountain Novels: I've finally come across someone that believes in all the things that I do: love, family, faith, intrigue, mystery, loyalty, romance, and a great love for our beloved Smoky Mountains. --Dolly Parton
