

Found In Us (Lost) (Volume 2)

THIS BOOK CAN BE READ AS A STANDALONE All Jessica wants -- as a college graduate -- is to be a good girl. She landed the job of her dreams at a museum and is trying to eliminate temptations. No more short skirts (when she can help it). No wild parties. And no men. She particularly excels at that last thing... Until her path crosses Parkers. Again. Jessica remembers the last time their paths crossed very well. She was left with a seriously bruised ego. She knows it would be best to avoid him altogether. But the charming Brit makes it hard for her to elude his electrifying pull. He is as irresistible as he is captivating. And enigmatic. Because underneath the sleek Armani suit and the sweet British accent that makes her crave his touch, Parker isn't the perfect gentleman everyone thinks he is. He's exactly what Jessica doesn't want, but desperately needs. A bad, bad boy. *No cliffhanger* This novel is recommended for 17+ due to sexual content and mature themes.* *This is book 2 in the series. Book 1, Lost in Us, tells the story of James and Serena.* Each book in the series can be read as a STANDALONE* * New Adult and College* Coming of Age* Erotic Romance* Erotica* Contemporary Romance* Romantic Erotica*
