

## Furgotten: BBW Paranormal Shapeshifter Romance

FURgotten - STANDALONE! Hot Rich Dude + 1 Pretty BBW = Nail Biting Romance! Chloe Roberts has a secret. A big one...she's Chloe Roberts not her twin sister Courtney Roberts. BBW Bite Me Bar bartender Chloe Roberts is having a normal day shopping at the mall when the hottest guy on the planet, wolf shifter Drake Roma, grabs her sweet body from behind. Nice huh! Only there's a problem. He thinks she's her twin sis Courtney. Uh oh, what do you do in a case of mistaken identity? You fess up who you are right? But our girl Chloe has a sense of adventure and a desire to get to know the hunky dude whose arms are locked around her waist. The sexy wolf shape shifter decides she can be Courtney for the day AND night! Courtney is a brilliant, high powered attorney with the firm Gatel & Sons. It feels good to pretend to be her, even if it's just for a little while. Chloe keeps meaning to tell Drake the truth, but uh, things don't quite work out as planned. It gets more than a little bit heated as the two tango. And Chloe has another issue. Her father has huge medical bills and an obnoxious landlord demanding his rent. Can Chloe help her dad get on his feet? And does she stand a chance with Drake Roma after tricking him? FURgotten is a BBW Paranormal Shapeshifter Romance. This is a standalone novella and the fifth story in the Sexy in Fur series. These paranormal romances can be read in any order. The story includes strong sexual themes and language.
