

Werewolves of Chicago: Xavier: The Hero (Volume 3)

Emily Foster, a single mother of two, is NOT what Xavier needs right now. Not with Alexander Kruglov breathing down their necks. But Xavier feels he owes her since his pack is the reason that shes a new widow. Still, their chemistry is a pain in the ass. And her kids? Michael and Sofia are too cute for words, even to Xavier -- a wolf who has no interest in family or children. This isnt the time for flirtations and shes off limits anyway, for reasons he can never tell her... but damn if she doesnt smell delicious. But whats driving him really crazy? Why cant he hear her heartbeat? What. The. Fuuuuhhhck.
