

Colors of the Sun

When Dani Beckett finds herself divorced, she is in a world unknown to her. Meeting Jack Edwards after purchasing his stolen horse at an auction, changes everything. Dani never realized how much she depended on a marriage that had been nothing. Realizing that her marriage had failed long ago, leads her into the arms of man that should be her enemy. When Jack Edwards decides to work with Dani after finding out about her husbands money laundering to get his horse back he realizes that he not only found his stolen horse, but the woman he thought never existed. Now the two of them are woking together to put Frank Beckett in his place and get what they both deserve. Jacks horse and Danis Ranch But when love becomes part of the picture things take a wild turn.
