

Santas Naughty List: BBW Paranormal Christmas Romance (Paranormal Protection Agency Book 8)

A Christmas Elf, Mia loves the holiday season, but due to her family moving when her father was a child, she's never been to the North Pole, nor seen a Santa until she joined the PPA. Now she only has eyes for Cole, one of the agency's Claus elves...but she doubts he even knows that she exists. But Cole has noticed Mia, noticed and very much wants to learn more. If she'd only stop still so he can talk to her, instead of blushing and running off. But the night before Christmas eve brings with it the office Christmas party. And this Santa decided one shy little elf is very much on his naughty list...
