

## When I Lie With You (A Millionaires Love, #2) (Volume 2)

My name is Rory Sinclair, and for the first time in my life I'm truly happy. I've found the love of my life, my soul mate, and my best friend. We were the missing pieces in each other's lives, and now that we're together our bond is stronger than ever. We're building our future together; a future I never believed I would have. Then it happened. My name is Ian Braxton, and for the first time in my life I feel complete. A woman named Rory Sinclair did that to me. She breathed life into me and gave me hope. Money didn't matter to me anymore, and I would've given it all up for her. She's my dream and I never want to wake up. Then it happened. Ian and Rory found their happily ever after in *Lie Next To Me (A Millionaires Love)*. Will it continue? Or will something that happened unexpectedly tear them apart?
