

Whiplash (An FBI Thriller)

In Connecticut, the murder of a pharmaceutical bigwig brings in Savich and Sherlock, along with local Agent Bowie Richards and P.I. Erin Pulaski. Back in Washington, an important U.S. senator is terrorized by an unknown entity, and is calling for Savich's special skills. When the Vice President is nearly killed it's clear these crimes are linked, and Savich and Sherlock must act fast to stop a killer.
