

## The Bare Bones (Volume 1)

If you aint living on the edge, youre taking up too much room. The rose-colored illusion of Madison Shellmounds girlish crush on biker Ford Illuminati is stomped into smithereens by his crude, perverse father Cropper, Bare Bones club President. Fearing Ford will kill Cropper if he finds out, Madison flees town, becoming an upstanding cardiology nurse. Madison and Ford have an ill-fated, star-crossed love that will last their lifetimes. Ford is a lifer in a different sort of enterprise, the gritty full-throttle club of guns, blood, and allegiance to his brothers. Twelve years and several tours of SEAL duty later, Ford is thrust back into Madisons arms on the worst day of his life. Madisons prospect brother Speed has screwed up big-time and owes the club his life. She offers herself to Cropper as a sacrificial lamb to save Speed.

But how long until the fiery, full-on outlaw Ford discovers that the woman he loves was treated like a degraded slave by his own father? Well, meet the new boss. Hes not the same as the old boss.
