

Heartbreak Hotel

Its gotta be the mountain air. Why else would Morgan even consider dating Rob, the bad boy ski instructor? Maybe because everything about him is different from the buttoned-up room clerk who steals her job. Rob is only too happy to take her mind off her disappointment, but things aren't always as advertised at Heartbreak Hotel. Is Rob's bad boy reputation warranted? And is Adrian who he seems? Morgan puts her heart on the line to find out. Sweet Romance Note: NEW COVER as of July 2015
