

Feels Like a Dream (Dream Series) (Volume 5)

Like most men, Kevin Parker had always dated women his age or younger. Then after dating an older woman for a couple of weeks (now just a good friend, ElizabethBethFairchild), Kevin developed a new perspective on love and romance. With his newfound insight, Shelby OSullivan catches Kevins eye. Confident. Funny. Beautiful. Getting to know her, he quickly realized that she is the woman of his dreams. Nine years older than Kevin, a history of less than amazing boyfriends, and a health history she feels is tarnished, Shelby OSullivan has avoided falling in love over the past several years. She doesnt want to fall for Kevins southern charms and sinful good looks, but soon finds herself doing just that. Is their romance a dream come true or a nightmare in the making?
