

Who Knows the Dark (The Vigilante Book 2)

The Vigilante: Book Two A wanted man after the destruction of the Iron Butterfly Casino, Nox Boyet must flee the island of Manhattan the only home he's ever known. Together with Cade, Sam, and the rest of their ragtag group, Nox must find a place to hide from the District Police and the violent group of unknown drug dealers on his tail. The solution: the Creel family farm in South Carolina. But home isn't quite sweet for Cade, the prodigal son. As Cade struggles with his own secrets, shadows of the past threaten not only Nox's life, but his relationship with his son, Sam. Nox knows there will never be peace unless he finds the answers to all his questions and the answers lie back on the island. Cade and the others must choose their paths: find safety or follow the Vigilante into the darkness of the city? The city where Nox will come face-to-face with the past.
