

# Wicked Need (The Wicked Horse Series) (Volume 3)

Rand Bishops dreams of Olympic gold were shattered years ago but hes left that all behind, settling into a new career and lifestyle that would make any man jealous. While he may not be competitively racing down the ski slopes anymore, hes just as happy getting his rocks off as a Fantasy Maker for The Silo. Hes good at what he does. Damn good. But while life couldnt be better for Rand, it seems to be falling apart for Catherine Lyons Vaughn, the dark haired, brown-eyed beauty that has captivated an entire sex club. Having spent years degrading herself on her husbands whim and now left destitute after his death, Catherine has hit rock bottom. With nothing but her body to peddle, Catherine is merely trying to figure out how to survive in a harsh, cruel world. Lucky for her, Rand has taken her under his tattooed wing, and hes determined to give her a safe life where she can be the woman she was always meant to be. Now all Catherine has to do is believe she deserves the chance.
