

Wanted: Mating Season (Devils Point Wolves Book 3)

This mating season has one last trick to play... Allison Fox is on the hunt again. Except this time the werewolf shes been assigned to track is her brother. The search has led to the island of Devils Point and it doesnt take her long to figure out shes hit the mother lode of werewolves. But when she meets Diego, her world turns upside down. As mating season comes to a close, Diego is thrown into chaos when hes given the task of interrogating the female hunter who would like nothing more than to kill him. His track record with women sucks and this one is no better. Especially when his wolf stands up and claims her as his mate. **BBW Paranormal Shapeshifter Romance**
