

Belong to Me (Wicked Lovers series Book 5)

Shes undercover and in over her head When FBI analyst Tara Jacobss fellow agent and best friend goes missing while investigating a sex ring, Tara goes undercover as a submissive in a Dallas BDSM club called Dominion. But no man can top a woman with Taras moxie convincingly enough until an edgy, dangerous Dom takes control of the scene and sets her heart racing with a single, commanding glance. Too bad hes also the man who stole her innocence years ago and one to whom she will never submit. Hes got everything under control until he falls for her again. Navy SEAL Logan Edgington once left the woman he loved to save her life. He knows Tara will never forgive him, but he has no doubt that he possesses the knowledge to help her master her fears and the strength to guide her through an unfamiliar world of pleasure and pain. He alone can protect her on a dangerous mission that reveals both wicked depravities and terrible secrets. Logan relishes the exquisite torture of holding her again and feeling her uninhibited response. No matter how much Tara insists their fling will end after this mission, hes determined that she will be his once more and this time, hell never let her go.
