Sometimes the Wildcard beats the deck. Michael Thrivener is a Sniper in the Army. Just back from a deployment, he and his squad mates decide its time to formally reinsert themselves back into society--more specifically the female populace on Ladies Night. Unfortunately the country dive they pick doesnt suit Michaels mood, and he finds it hard to get in the groove with the sharp twang of country music in his ears. So he does what any red-blooded male would do--he finds the bar and starts to load up. Enter Jasmine, fresh out of a nasty divorce and pried from her apartment by her friends for a fun night out. Jasmine, like Michael, is not feeling the night at all. When she comes out of the ladies room to find her friends all paired off with a bunch of soldiers, she finds herself the target of Michaels practiced charm. But itll take more than charm for Michael to win his way into Jasmynes bed. And in the process, he might just end up winning more than he intended...
