Love can tame the wildest heart
Golden Eyes
When Duncan finds an injured cheetah, questions about how she wound up in his mountains and going after the poachers pursuing her can wait. First he brings her home. Then he checks in on his patient, and finds not a cat, but a gorgeous, very naked woman. Aliyah Carter spent the past six months trapped in cheetah form, a prisoner of the poachers who took her to use in an illegal exotic-game hunt. Finally she's escaped, but now she faces another problem. A devastatingly sexy sheriff who knows her secret. Amber Eyes
The beautiful, timid cougar that appears at Hunter and Jericho's remote cabin breaks their quiet routine, warms their hearts and rouses their curiosity. Why would this wild creature want to form a friendship with humans? Kaya has survived a lifetime of isolation in her shifted form. Yet there's something about these two men that draws her to embrace her human side. In the shelter of their love, she blooms. Then they are called away on a mission that goes terribly wrong. Now pregnant and alone, Kaya's only hope is that the men who love her will find their way home.
