

OMalley Wild: Tangled Sheets

OMalley Wild - Haydens Hellion By Maggie Casper The third in the OMalley Wild series. A bad relationship with a money-hungry woman has left Hayden OMalley disillusioned and untrusting. An old-fashioned cowboy used to meek, biddable women, Haydens legendary patience is tested when he rescues Austin Calhoun. Shes been given an ultimatum by the towns judge either get a real job or spend thirty days in jail. Apparently hosting sex-toy parties is NOT a real job. From her seductive clothing to her wicked reputation, Austin is everything Hayden isnt looking for in a woman, but shes the only one he cant get out of his head. Her unruly ways have gotten Austin into her share of trouble. The problem is, it seems as though every time she finds herself knee-deep, Hayden is there to set her straight. Why he thinks he has to do it with her face-down over his lap, Austin will never understand. Tired of being taken lightly, Austin is determined to get Hayden to see her as the woman she has become instead of the wild child she was. With love on her side, Austins ready to prove shes more than just Haydens Hellion. OMalley Wild - Tying the Knot By Maggie Casper Book four in the OMalley Wild series. Those Wild OMalley boys are at it again. From rough and rugged rancher Hayden, to larger than life pub owner Sean, all the way down to the baby of the family, polished and shined Zane, the only thing these brothers have in common besides wicked hazel eyes and an eagerness to love their women is a wedding. At the culmination of the OMalley Wild series, join the OMalley boys on their triple wedding day at the Big O Ranch...and more enjoyably, their individual wedding nights. Nothing is too wild for an OMalley.
