

The Dangerous Jacob Wilde (Mills & Boon Modern) (The Wilde Brothers, Book 1)

Jacob Wilde lived a fast and furious life of reckless abandon until his wild streak put a cruel end to a life spent in pursuit of pleasure. The Texan ranching grapevine is legendary, so Addison McDowell has heard all about Jake Wilde's shameless past and his scarred, solitary present. But her only focus is her future, which won't include the impossibly arrogant Jacob Wilde! Addison is no Texan wallflower when Jake starts a fight, she's more than capable of finishing it! However, a searing attraction to a man she knows cannot love her back? That she has no idea how to handle. The Wilde Brothers Wilde by name, unashamedly wild by nature!
