

# The Psychology of Self Esteem

Dr. Branden has created a series of lectures which substantially updates and expands upon the materials in *The Psychology of Self-Esteem*, *Breaking Free*, and *The Disowned Self*. Here are some of the highlights of this comprehensive presentation of Biocentric Psychology: The need, the motivating power of self-esteem, its relationship to love, work, and personal relationships, man-woman relationships, emotions, disowning the self, alienation, anxiety, depression, and more.
