

Win by Submission (Against the Cage)

To win her heart, he'll be in for the fight of his life. After an illegal kick during a CFA title fight fractures Cole Eastons spine, doctors say there's nothing more they can do for the bitter Vegas fighter. They say it's a miracle he can walk, if that's what you call his crutch-dragging limp. Unwilling to give up on him, Cole's manager sends the injured fighter to the best physical therapist he knows: his niece, Katie Miller. When Cole arrives in the small town of Somerset, Wisconsin, he quickly discovers his sly manager may have had reasons other than rehab for sending him to this frozen tundra. After a year of running from an abusive ex-boyfriend, Katie has returned to her hometown to care for her father, who's recovering from a stroke. When Uncle Marcus calls in a favor, she reluctantly finds herself taking on a rancorous MMA fighter, broken at the height of his career. He's insanely sex-on-a-stick hot and everything she loathes in a man. If Cole thinks his fighting days are over, he's dead wrong. To save Katie from her past and to win her heart, he'll be in for the fight of his life.
