

Raising the Stakes: What happens in Vegas...can kill you. (DC Bad Boys Series Book 2)

Las Vegas bound for a destination wedding, Terry and Des have promised to be friends thanks to their relationships with the bride and the groom. The ex-lovers certainly never thought theyd be embroiled into a fast-paced mystery where the stakes are high. Yet, when they unwittingly stumble near a murder scene, their gambling getaway takes an unexpected turn into dangerous territory. And when Terry gains a stalker and is almost kidnapped, the stakes rise even higher. Terry and Des are forced to run. Their mutual animosity creates enough fireworks to add to the already glitzy Vegas skyline.

Can they stay alive long enough to figure out the mystery even as a romance percolates? More importantly, can these two work through their differences in order to become true friendsor go a step further and realize they still care for one another?
