

The Alphas Game - Part 3 (BBW Paranormal Romance)

Two Alphas, One Prize... Let The Games Begin! Rosie Zuckerman is a curvy female detective with a twist. She also has psychic abilities that allow her to gain the advantage when in the field. When she finds herself dragged into a case with a handsome FBI agent named Kevin Leonard she has no idea what she is about to let herself in for. No idea at all... In Episode 3: They say that 2 is company and 3 is a crowd and that is exactly how Kevin is feeling with Grey sniffing around Rosie in more ways than one. It is not often Kevin has to deal with someone just as Alpha as himself that is for sure. As the trio continue on their mission they do not realize the huge shock they could be in for once they find their target... Notes: This is a bbw paranormal shifter romance 5 part serial with new episodes released every 2 weeks. Please start with Episode 1.
