

Within These Walls (The Walls Duet Book 1)

From USA Today Bestselling author J.L. Berg, comes a breathtaking story that shows us how love truly can conquer all even the most damaged of hearts. Within these walls, he became my solace, my sanctuary and my strength. I am not strong. I am just a survivor of circumstance. Isn't that what we all do? Survive? Each of us has our own set of circumstances to muddle through. Mine are just more complicated. Born with a severe heart defect, I've seen the inside of a hospital room more than my own bedroom.

I was drowning, a prisoner to the illness that owned me, until he appeared. He thinks he's blocked out the world with his tattoos and hard exterior, but I see the real Jude, the one he so desperately wants to forget. But is he the answer to my prayers or will he break my already damaged heart forever? My name is Lailah Buchanan, and this is our story of hope, redemption and sacrificing it all for the one you love. ***Due to some graphic language and explicit scenes, this book is not recommended for readers under the age of 18.***
