

Wolves of East Anglia Boxed Set

The entire Wolves of East Anglia series in one boxed set. **Mate for a King** Lexi Wellers vacation in England doesnt exactly start off all that great when she almost ends up getting into a car accident. Raedwald hopes he hasnt made a mistake by asking the sexy American out to dinner. Charged by the Anglo-Saxon god, Tiw, to protect mortals from the werewolves sired by Fenris the wolf, Raed knows he cant put her before his duty. **Forever Claimed** Out for a walk on her fist evening of her holiday in Norwich, England, Kamryn finds herself literally knocked on her butt by a gorgeous hunk of a man. Algar is certain shes the woman meant for him, meant to be forever claimed by an immortal werewolf warrior. He knows he cant let her go, even if she comes to fear what he is. **Reluctantly His** Gun shy when it comes to men, Nika has sworn off them for a while. Until a hunky man comes to the pub one night and asks if shes on the menu. Garrick knows Nika is his mate when her scent stirs his wolf. Having never really cared if he found his mate or not, now that hes found her, he wants her as his.

Designs on a Warrior On the hunt for a British boy toy, Cydney finds Wulfric and immediately lets him know shes interested by grabbing his crotch. Wulfric finds himself more than distracted by the introduction. As things heat up between them, hes forced to tell her the truth of what he is before hes ready. **Taming Her Heart** Maggie is drawn to Dolf, but doesnt think she can get over her fear of werewolves to become his mate. Dolf knows Maggie is the one meant for him. He just doesnt know how to win her heart. **Love Everlasting** For the last seven years, Brand has only longed to make Elsa his mate, but when the opportunity comes to win her, he acts quickly. Elsa falls hard and fast for Brand, but he comes with a world she doesnt understand.
