

Crossing the Line (World Apart Book 1)

Laying it all on the line for love Mia Cresswell is tired of being good. Achieving geek status at college doesnt equate with fun. So when she heads home to her dads tennis academy in Santa Monica on spring break, shes determined to be bad. And hot Aussie tennis star Kye Sheldon is just the guy to help her do it. However, Kyes troubled past continues to dog him and attending the Cresswell Tennis Academy is his last chance at the big time. He cant afford to screw up by screwing the boss daughter. But Mia and Kyes relationship is much more than a vacation fling. Will it be game, set, match, when the truth is revealed? Or will Mia and Kye have a real shot at love all?
