

Worth the Fight (MMA Fighter Series Book 1)

It didnt matter that the ref called it a clean hit. Nico Hunter would never be the same. Elle has a good life. A job she loves, a great apartment, and the guy shes been dating for more than two years is a catch and a half. But its boringand she strives to keep it that way. Too many emotions are dangerous. Her own past is living proof of what can happen when you lose control. Then Nico walks into Elles office and everything changesfor both of them. But what can the tattooed, hard-bodied MMA fighter and the beautiful and always steady attorney have in common? A lot more than they bargained for. ***Authors note*** THIS IS A STAND-ALONE NOVEL.
