

The Rebels Redemption (Wounded Hearts) (Volume 2)

The Rebels Redemption- Book 2 in the Wounded Hearts Series. Annie Campbell has made a good life for her young son in the mountain town of Tidal Falls. She's dating the sheriff, owns a successful business, and has the support of the community. So why isn't it quite enough? Jared Martin left Tidal Falls a hotheaded youth. Eight years in the military has turned him into a cynical, disillusioned man. Then he returns home and finds out he's a father. When an old enemy follows and causes mayhem in the small town, can Jared overcome the odds to protect the woman he's always loved and the child he never knew? Or will it be too late for a second chance?
