

Finding Faerie (The Karli Lane Series) (Volume 3)

FINDING FAERIE is the third installment in the Karli Lane series. For Karli Lane, life used to be so simple. All she had to worry about was mixing drinks or maintaining an even tan. Nowadays her mind is plagued with things like finding a mystical portal, smelling like vampire bait, or accidentally causing destruction everywhere she goes. Oh yeah, and choosing between two irresistible men. With her immortality fast approaching, she has no choice but to follow the path that leads her to new lands, new friends, and unfortunately, new foes. Staying alive shouldn't be too hard. Right?
