Citizen Soldier Series/Book 1: Ben **FINALIST 2015 BTS eMag Readers Choice Best Romance** Lea Gablonski has two dreams: To work at a museum in NYC, and to gain other-than-sisterly attention from her best friends brother. So far, shes 0 for 0. Though her MA in History is just a wall decoration at her familys diner where shes working while her dad recovers from surgery, she enjoys her visual encounters with the sexiest man alive even though he would sooner pat her on the head than take her to bed. Military born and bred, Battalion Supply Sergeant Benjamin Wyne thrives on order and control in his fulltime career in the PA National Guard, and in his personal life. But when hes forced to ask his childhood sweethearts younger sister to pose as his girlfriend to thwart unwanted advances from his boss wife, his world turns chaotic. Lea is sweet and hot and tastes so damn good hes addicted. When the attraction takes on a new level at his sisters wedding, his carefully guarded heart begins to thaw. But hes seen many relationships go south. If he takes a chance and gives up control, will Lea be like her sister and leave him for a career in the big city? Yet, if he doesnt, will the best damn thing to ever enter his life become history? **Citizen Soldier Series** Book 1/ Ben Wyne and Dine (Finalist BTS eMag.
