

Nothing Short of Fabulous!

Deidre and Kirk are as opposite as they come. Kirk, a former investment banker on Wall Street, decided to give up the fast-paced life and begin to live on his own terms. Deidre, a New York socialite, never dreamed that she would find happiness after being dumped by her boyfriend whom she was sure to marry. Then after turning into the wrong street on a chilly September night, she met Kirk. Little did they know that after that night, their lives would change forever.
